**INDEPENDENT AUDITOR'S REPORT  
ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Honorable Mayor and  
Members of the City Council  
City of Kinston, North Carolina

We have audited the general purpose financial statements of City of Kinston, North Carolina, as of and for the year ended June 30, 2000, and have issued our report thereon dated September 26, 2000. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether City of Kinston's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that is required to be reported under Government Auditing Standards.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered City of Kinston's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. However, we noted a certain matter involving the internal control over financial reporting and its operation that we consider to be a reportable condition. Reportable conditions involved matters coming to our attention relating to significant deficiencies in the design or operation of internal control over financial reporting that, in our judgment, could adversely affect City of Kinston's ability to record, process, summarize and report financial data consistent with the assertions or management in the financial statements. The reportable condition is described in the accompanying schedule of findings and questioned costs as item 00-1.

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. However, we do not believe that the reportable condition referred to above is a material weakness. We also noted other matters involving the internal control over financial reporting that we have reported to management of City of Kinston in a separate letter dated September 26, 2000.

This report is intended for solely for the information and use of the members of the City Council, management, federal and State awarding agencies, pass-through entities and the North Carolina Department of the State Treasurer and is not intended to be and should not be used by anyone other than those specified parties.

**INDEPENDENT AUDITOR'S REPORT  
ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO  
EACH MAJOR FEDERAL PROGRAM AND INTERNAL CONTROL OVER  
COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133  
AND THE STATE SINGLE AUDIT IMPLEMENTATION ACT**

To the Honorable Mayor and  
Members of the City Council  
City of Kinston, North Carolina

Compliance

We have audited the compliance of City of Kinston, North Carolina, with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement and the Audit Manual for Governmental Auditors in North Carolina, issued by the Local Government Commission, that are applicable to each of its major federal programs for the year ended June 30, 2000. City of Kinston's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of City of Kinston's management. Our responsibility is to express an opinion on City of Kinston's compliance based on our audit.

We conducted our audit of compliance in accordance with generally accepted auditing standards; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, and the State Single Audit Implementation Act. Those standards, OMB Circular A-133, and the State Single Audit Implementation Act require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about City of Kinston's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on City of Kinston's compliance with those requirements.

In our opinion, City of Kinston complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 2000.

### Internal Control Over Compliance

The management of City of Kinston is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered City of Kinston's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133 and the State Single Audit Implementation Act.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

### Schedule of Expenditures of Federal and State Awards

We have audited the general purpose financial statements of City of Kinston as of and for the year ended June 30, 2000, and have issued our report thereon dated September 26, 2000. Our audit was performed for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The accompanying schedule of expenditures of federal and State awards is presented for the purposes of additional analysis as required by OMB Circular A-133 and the State Single Audit Implementation Act, and is not a required part of the general purpose financial statements. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the general purpose financial statements taken as a whole.

This report is intended for solely for the information and use of the members of the City Council, management, federal awarding agencies, pass-through entities and the North Carolina Department of the State Treasurer and is not intended to be and should not be used by anyone other than those specified parties.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS  
APPLICABLE TO EACH MAJOR STATE PROGRAM AND INTERNAL CONTROL  
OVER COMPLIANCE IN ACCORDANCE WITH APPLICABLE SECTIONS OF OMB  
CIRCULAR A-133 AND THE STATE SINGLE AUDIT IMPLEMENTATION ACT**

To the Honorable Mayor and  
Members of the City Council  
City of Kinston, North Carolina

Compliance

We have audited the compliance of City of Kinston, North Carolina, with the types of compliance requirements described in the Audit Manual for Governmental Auditors in North Carolina, issued by the Local Government Commission, that are applicable to each of its major State programs for the year ended June 30, 2000. City of Kinston's major State programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major State programs is the responsibility of City of Kinston's management. Our responsibility is to express an opinion on City of Kinston's compliance based on our audit.

We conducted our audit of compliance in accordance with generally accepted auditing standards; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; applicable sections of OMB Circular A-133 as described in the Audit Manual for Governmental Auditors in North Carolina, and the State Single Audit Implementation Act. Those standards, applicable sections of OMB Circular A-133, and the State Single Audit Implementation Act require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major State program occurred. An audit includes examining, on a test basis, evidence about City of Kinston's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on City of Kinston's compliance with those requirements.

In our opinion, City of Kinston complied, in all material respects, with the requirements referred to above that are applicable to each of its major State programs for the year ended June 30, 2000.

### Internal Control Over Compliance

The management of City of Kinston is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to State programs. In planning and performing our audit, we considered City of Kinston's internal control over compliance with the requirements that could have a direct and material effect on a major State program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with applicable sections of OMB Circular A-133 and the State Single Audit Implementation Act.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major State program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

### Schedule of Expenditures of Federal and State Awards

We have audited the general purpose financial statements of City of Kinston as of and for the year ended June 30, 2000, and have issued our report thereon dated September 26, 2000. Our audit was performed for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The accompanying schedule of expenditures of federal and State awards is presented for the purposes of additional analysis as required by OMB Circular A-133 and The State Single Audit Implementation Act, and is not a required part of the general purpose financial statements. **Section 2. Financial Statement Findings**

Finding: 00 - 1 Segregation of Duties - MIS

A. Internal Controls

Condition: Due to the limited number of employees in the City's electronic data processing department, there is a lack of segregation of duties. Specifically, persons with programming capabilities have access to the system's data files (database), which contain all of the City's transactions.

Recommendation: When a lack of segregation of employee duties is present, management must implement supervisory and review controls to mitigate the control problem.

**Finding 00-1 Segregation of Duties - MIS**

Contact Name: Richard R. Somerday

Corrective Action: Due to the limited number of staff available, a complete segregation of duties is not practical. However certain procedures have been implemented to increase segregation including increased mangement awareness of the issue and the hiring of an additional employee.

Effective Date:: September 26, 2000
