

P.A.C.E Meeting for July 25th 2024

**** Today presenters from Recovery Courts ENC provided insight on the application of Narcan and the program impacting positive change for its members****

Recovery Courts ENC

Colleen Kosinski of Recovery Courts ENC began the presentation with information on what Recovery Courts ENC does for the city and surrounding counties. Peer support and a comprehensive program to provide the individuals with a treatment plan dedicated for success. Mrs. Kosinski went over the process the participants go through after receiving the court order. Our attendees were also given the multitude of ways to refer someone to the program including referrals through Social Services and the QR coded mural painted on the side of Gordon Street Christian Church in Kinston. Attendings were given a demonstration on the application of Narcan.

Trillium Heath Resources

Melissa Reese of Trillium provided information on their company and the partnership they provide with Recovery Courts ENC. Lock boxes and Deterra disposal bags along with Narcan were brought and provided for free for anyone in attendance.
