Kinston PD Overall

COMPARED TO Q1 2023

-5.4 %

Police Presence is strong and improving. Community Engagement tends to increase with temp. Gains in key strategic areas saw overall improvement in violent levels.

In a multiple-offense situation, the hierarchy rule is applied [i.e. the offense that is highest on the hierarchy list is scored and that offense is involved, not the other offense(s)].

*Subject to change at any time as hierarchy rule is applied.
