

**City of Kinston  
E11  
Code: 312  
Small General Service**

**Availability**

This Schedule is available for nonresidential electric service when the Customer's maximum metered demand is less than 30 kW. Service will be supplied at one point of delivery through one meter provided by the City to record use for monthly billing.

This Schedule is not available for residential or resale service or for breakdown, standby, or supplementary service without prior written approval of the City. Service will be transferred to another applicable schedule if metered demand exceeds 30 kW in two or more consecutive months.

Generation may not be interconnected to the utility system or operated by the Customer with service provided under this Schedule without prior written approval from the City. The Customer must install equipment acceptable to the City to protect personnel performing maintenance or repairs and prevent damage to electric system facilities. The Customer is responsible for any injury or damage caused by the operation of such generation. The Customer's electric service is subject to immediate suspension without notice until adequate protection equipment is installed and approval for generation operation is obtained from the City.

**Type of Service**

The types of service to which this Schedule is applicable are alternating current, 60 hertz, single phase 2 or 3 wires, or three phase 3 or 4 wires, at the City's standard voltages. When Customer desires two or more types of service, which types can be supplied from a single phase 3 wire or a three phase 4 wire type, without voltage transformation, only the one of these two types necessary for Customer's requirements will be supplied.

**Monthly Rate**

Customer Charge (single phase)	\$25.68
Energy Charges	
First 750 kWh	12.352 ¢/kWh
All over 750 kWh	9.883 ¢/kWh

Small General Service (continued)  
Page 2 of 2**

**Three-Phase Service**

The monthly bill computed for single-phase service plus \$11.52.

**Payments**

Bills are due when rendered and are payable within 20 days from the date of the bill. If any bill is not so paid, the City has the right to suspend service in accordance with its Service Regulations. In addition, any bill not paid on or before the expiration of 20 days from the date of the bill is subject to an additional charge of 1.5% with a minimum of \$5.00 to the balance in arrears.

**Contract Period**

The Contract Period shall not be less than one year.

**Sales Tax**

To the above charges will be added any applicable North Carolina Sales Tax.

**Effective Date**

This was passed by the City Council on October 7, 2025.

Effective for billing rendered on or after October 15, 2025.

**4% DECREASE ON ALL BASE AND VARIABLE CHARGES**
